

DOM CARBON TUBING

For the very best in DOM carbon tubing, turn to TW Metals. We have the products, processing, pricing, and quality you're looking for.

The carbon tubing products you need – when you need them.

TW Metals stocks the DOM carbon tubing products you need, including a full range of sizes. Plus, you can special-order a wide variety of non-standard items.

Grades.....	1020 – 1026
Spec	Meets latest revision of ASTM A513 Type 5

TW Metals is also your source for complementary products, including seamless and welded hydraulic tubing, seamless hot finished tubing, and alloy tubing.

And because we maintain a deep inventory at our strategically-positioned locations nationwide, you're assured of on-time delivery.

twmetals.com

**Specialty Metals Leadership.
Supply Chain Innovation.**

In the **TUBESALES** tradition.

TW Metals carries on the quality tradition of Tubesales, one of the most respected names in metal products and services. As a result, we bring decades of specialized experience to your order.

Full processing capabilities.

TW Metals offers specialized cutting facilities for all types of tubing materials, ensuring accurate, straight, and distortion-free cut lengths to the tolerances you require.

Certified quality system.

We insist that suppliers meet the highest quality standards in their industries, and conduct regular inspections. And, we maintain test certificates to ensure full material traceability, along with a library of all current international standards and customer specifications.

Competitive prices.

Best of all, TW Metals delivers all this quality, service, and value at highly competitive prices. And remember that additional products and alloys are available through customized supply programs tailored to your needs.

So when you want the best in tube, pipe, bar/rod, or extrusions in stainless, aluminum, nickel, alloy, or titanium, think TW Metals. Call us today at 1-800-203-8000.
